Welcome to our office! We appreciate the confidence and trust that you have placed in us and look forward to meeting you personally and professionally.

Our philosophy of care governs everything we do for you. It consists of the following key elements:

- We are truly caring about our patients and want you to feel very comfortable with our entire staff.
- We recognize that each patient is an individual and our goal is to help you retain your teeth in comfort, function and esthetics for a lifetime.
- We strive to be thorough in everything we do, taking the time to be the best we can be.
- We are esthetics oriented, helping you look your best, while maintaining optimum comfort, function and health.

At your first visit, we will take the time to get to know you (and you, us) and discuss your dental needs and desires. We will perform a comprehensive dental evaluation and gather information to make a customized plan for you.

We ask that you contact your previous dental office and have any current x-rays transferred to us to avoid duplication that your insurance may not cover.

Enclosed you will find our new patient information forms. Please fill out and bring it with you to your first appointment along with your dental insurance card and a list of any medications that you take.

We look forward to meeting you.

Sincerely,

Grant Q. Loo D.M.D. and Staff
